

The following framework has been awarded a DfE-approved status:

Y25006 HR Support Services

Click on the link for more information

[HR support services - Get help buying for schools](#)

This approved status demonstrates that Procurement Services frameworks meet regulatory procurement requirements, are straightforward for schools to implement, and provide strong value for money. Crucially, approval is informed by direct feedback from schools, ensuring our frameworks are trusted, proven, and recommended for simplifying school procurement.
